1.2 Purpose

The purpose of the NC Home Advantage Mortgage™ Program Guide is to provide a basic overview of the key operational and program details of the NC Home Advantage Mortgage™ and associated programs regarding borrower and property eligibility, credit, underwriting, and closing procedures. Lenders must review and understand all program requirements.

This guide is not a substitute for lender training classes offered by NCHFA on a recurring basis for the benefit of loan officers, operations personnel, and other mortgage staff. NCHFA requires all participating lender personnel to attend one of these regular training classes to get a more in-depth understanding of these programs.

Lenders who are familiar with the programs described herein may wish to refer to the Program Summaries and FAQs as a refresher.

Information contained in the NC Home Advantage Mortgage™ Program Guide is subject to change. Revisions of or supplements to this Program Guide may be made from time to time. To ensure prompt notification of any changes, it is the lender's responsibility to provide NCHFA with correct e-mail contact information.

Lenders wishing to use the Mortgage Credit Certificate (MCC) program alone or in conjunction with the NC Home Advantage Mortgage™ program must refer to the MCC Program Guide on the NCHFA website.

If less than one full year of physical presence, you may apply after six months of having a physical location opened and located in North Carolina originating loans along with a Letter of Recommendation from another state housing finance agency indicating good standing;
- 3) Originate, process, underwrite, close and fund the loan in their own name;

- 8) Have the in-house capability and legal authority to provide interim servicing of closed loans prior to purchase by Master Servicer, and
- 9) Complete in-person lender training (or approved webinar training) with NCHFA staff.

Loan officers must reside in North Carolina and have an NMLS location in NC (or a county that touches the NC border). Loan officers are required to attend in-person training (or approved webinar training) before offering NCHFA loan products. Operations Staff are required to attend Ops training or regularly scheduled training webinar.

Staff will be required to complete an on-line Quiz to verify program knowledge.

As an approved lender participating in the Program, the lender understands and agrees that the Agency reserves the right to suspend the lender's ability to make new locks under the

Program if the lender has outstanding fees, late documents, excessive withdrawal of locks, or for any other reason as determined by the Agency in its sole discretion.

All staff who originate, process, underwrite, close, or have access to NCHFA's On Line Lender Services system (OLS) must remain current on NCHFA program guidelines and requirements. All staff with access to the OLS must receive training and pass the required Quiz before being issued a User ID by the Lender's System Administrator. After issuing a User ID, the system administrator must notify NCHFA of the new user, including the user's contact information and most recent training date and Quiz date.

Loan Officers:

Prior to originating any NCHFA product Loan Officers must attend the three-hour Let's Make Home Happen (LMHH) class, in-person when available (on-line as a synchronous class until further notice). After completing the class, Loan Officers must also pass a quiz with a score of 80% or higher. After completing both the class and the quiz, the Loan Officer should forward their class date and a screenshot of their passing quiz score to their supervisor and the Training Coordinator at NCHFA. At that time, Loan Officers are eligible to originate NCHFA products. Loan officers must complete in-person training annually or remain current on NCHFA programs by closing at least 5 loans in a rolling 12-month period.

Any lender who does not close a minimum of twelve (12) loans with NCHFA in a calendar year may be removed from the program at the Agency's discretion. A lender may be removed from participation from Agency programs at any time for fraud or program violations, without recourse.

Training Policy

Operations Staff:

All processors, closers and underwriters must attend training. Webinars are normally offered monthly. Processors and underwriters are not authorized to work on NCHFA products until they have completed training and passed the required quiz with a score of 80% or higher. The quiz is sent after each webinar and is comprehensive, but it only has to be passed once. After passing the quiz, the Operation's staff member should take a screen shot of their passing grade to give to their supervisor. They should save the screen shot as evidence of their passing score.

Failure to follow both NCHFA and ServiSolutions guidelines may result in a non-purchasable loan or non-issuance of the Mortgage Credit Certificate. All members of the Lender's team must complete required training, even if they have worked with NC Housing Finance Agency products at their previous employer.

Loan Officers:

Prior to originating any NCHFA product Loan Officers must attend the three-hour Let's Make Home Happen (LMHH) class, in-person when available (on-line as a synchronous class until further notice). This class is normally offered monthly. After completing the class, Loan Officers must also pass a quiz with a score of 80% or higher. After completing both the class and the quiz, the Loan Officer should forward their class date and a screenshot of their passing quiz score to their supervisor and the Training Coordinator at NCHFA. At that time, Loan Officers are eligible to originate NCHFA products.

3.2 Lender Compensation

The lender shall be paid a fixed amount as a servicing release premium (SRP) for all eligible loans under the NC Home Advantage Mortgage™ program that also meet the guidelines of FHA, VA, USDA or Fannie Mae. The SRP amount is 1.5% for all loan types. The SRP is paid on the net balance of the first mortgage when purchased by the Master Servicer. SRPs may be changed with 30 days' notice by NCHFA to lender. Please note extension and penalty fees for late and non-delivery in Section 9.

3.3 Online Lender Services System (OLS)

To reserve an NC Home Advantage Mortgage™ loan, the lender must access the Online Lender Services System (OLS) at <https://www.nchfa.org/MySystems>. OLS access is granted by the Lender's System Administrator. Access is restricted to Loan Officers and Operations Staff who have met NCHFA training requirements.

There is a \$375 fee payable by ACH at the end of the recertification. Failure to recertify may prohibit future participation in NCHFA programs.

In addition, the Master Servicer will require an annual recertification that is separate from the annual NCHFA recertification.

Section 4: Loan Eligibility Guidelines

The following section details the various loan options available to participating lenders and their eligible borrowers.

4.1 NC Home Advantage Mortgage™ Loan Program Overview – 3% DPA

The NC Home Advantage Mortgage™ program offers all eligible borrowers (not just first-time homebuyers) affordable mortgage financing. NCHFA does not make the loan(s) directly to the borrower; instead, the designated Master Servicer purchases eligible loans from its participating lenders.

To be eligible, all borrowers must:

- 1) meet FHA, VA, USDA, or Conventional industry guidelines. For example, follow standard industry guidelines for seller contribution, student loans, bankruptcy, foreclosure, etc.;
- 2) have incomes within the established limits, currently \$140,000 statewide (If the NC Home Advantage Mortgage™ is paired with an MCC, the MCC income guidelines apply);
- 3) have a maximum debt-to-income (DTI) ratio of 45.0%;
- 4) be a first-time home buyer or move-up buyer (prior home buyer)
- 5) have at least two (2) credit scores per borrower, with the mid or low score at 640 or better, and receive an AUS approval; and
- 6) occupy and maintain the property as a principal residence.

4.2 Eligible Loan Types

NCHFA accepts 30-year fixed-rate FHA, VA, USDA and conventional loan types under its NC Home Advantage Mortgage™ program. FHA loan types include FHA 203(b) loans and condominium 234(c) loans.

All loans financed under the NC Home Advantage Mortgage™ program must be purchase transactions. Both repeat buyers and first-time homebuyers are eligible for the 3% down payment options, but borrowers may only have one outstanding NCHFA home, loan, or product, at a time.

An **AUS finding of “Refer” or “Ineligible”** is not eligible for the NC Home Advantage Mortgage Loan Program™. Manually underwritten loans are not eligible.

- 1) FHA Loan Program: NCHFA offers 30-year fixed-rate loans insured by the Federal Housing Administration. These loans are underwritten to FHA and program guidelines. The lender must submit FHA loans through an automated underwriting system approved by FHA and NCHFA.

Note: The FHA Award Letter must be signed by the borrower(s) at or before closing if 2nd mortgage, subordinate lien is attached.

- 2) VA Loan Program: NCHFA offers 30-year fixed-rate loans guaranteed by the Veterans Administration. These loans are underwritten to VA and program guidelines. The lender must submit VA loans through an automated underwriting system approved by VA and NCHFA.
- 3) USDA Loan Program: NCHFA offers 30-year fixed-rate loans guaranteed by the US Department of Agriculture. Lenders must use USDA's Guaranteed Underwriting System (GUS). All loans must receive a GUS credit recommendation of "Accept."
- 4) Conventional Loan Program: NCHFA offers 30-year fixed-rate loans under the HFA Preferred program from Fannie Mae or Freddie Mac HFA Advantage program. These loans are underwritten to Fannie Mac or Freddie Mac program guidelines under FNMA's "HFA Preferred" or Freddie Mac's "HFA Advantage" program.

Note: Conventional loans must be run through Fannie Mae's Desktop Underwriter (DU) or Loan Prospector Advisor (LPA). HFA Preferred is available through DU using the "Additional Data" screen by selecting "HFA Preferred." Reserves and asset requirements are determined by DU Findings. Special Feature Code (SFC) 782 should be used to identify all HFA Preferred loans and other SFCs as applicable.

If using the Freddie Mac HFA Advantage program, the AUS Findings must show Offering Identifier HFAAdvantage.

- 5) Construction-to-Perm Loan Requirements: Construction loans must be less than 24 months old from the origination date.

Construction-to-permanent loans may utilize the down payment option. The AUS and Closing Disclosure must be run as a "purchase", or, a refinance if the loan has a valid Sales Purchase Contract. If a manufactured/modular home, the sale must be from the original retailer to customer to be valid.

Note: All loans must receive an AUS Approve/Eligible or Accept credit recommendation. If the information reflected on the final application (Form 1003) differs from the data submitted to the automated underwriting system (AUS), NCHFA may ask the lender to re-run the submission. Lender must be careful to submit eligible Fannie Mae or Freddie Mac loan types that are specific to Fannie Mae or Freddie Mac. **AUS Findings are not interchangeable** between GSEs.

Upon the effective date per CFPB, all loans must meet new General Qualified Mortgage (QM) rules for APOR. Lender is solely responsible for verifying that the underlying loans (both 1st or subordinate mortgages) meet the points, price, and other criteria of QM before or after closing. In no case can a loan exceed 45% DTI regardless of the QM rule.

The post-closing package must contain the final approved 1003 and AUS findings. Unapproved changes may result in a loan that is ineligible for purchase.

4.3 Ineligible Loans / Loan Types

The following loans and loan types are not eligible for financing under the NC Home Advantage Mortgage™ program:

- Refinances (purchase transactions only)
- Vacation homes or “second homes”
- USDA Direct 502
- HUD 184 loans
- FHA 203k Renovation loans
- High-Cost Loans

High priced mortgage loans (HPML) are acceptable if all federal guidelines and Master Servicer guidelines are met. High-cost mortgage loans (HCML) are not accepted.

4.4 Mortgage Insurance Coverage Requirements

Mortgage insurance coverage factors are based on area median income (AMI) and LTV. The MI coverage factors are to follow all GSE and MI company requirements:

Loan to Value	MI Factor (AMI Over 80%)	MI Factor (AMI Under 80%)
95.01-97%	35%	18%
90.01-95%	30%	16%
85.01-90%	25%	12%
80.01-85%	12%	6%

The applicable MI rates for the coverage factor listed above must be used. Rates may vary by PMI provider. Borrower-paid single premium, split premium and monthly MI are all acceptable. In all cases using MI, the max LTV cannot exceed 97% and the CLTV 105%. Financed MI or Lender Paid MI is not allowed.

The lender is responsible for verifying the correct and accurate MI rates based on loan criteria. Any errors not corrected before closing will result in loan not being eligible for reimbursement/purchase by the Servicer.

4.5 Escrow Holdbacks and Repairs

Loans requiring repair escrows are acceptable. However, the lender must follow ServiSolutions guidelines before proceeding. Approved repairs typically include paint (interior and exterior), carpet, appliances, roofing and minor exterior repairs such as fascia boards, eaves, gutters and window replacements. No structural repairs allowed.

ServiSolutions[®] does not require prior approval of escrow hold backs. The lender must maintain a copy of the escrow agreement and copies of work bid estimates. The escrow agreement usually provides the list of repairs, cost of repairs, total price of the holdback (150% of repair unless it is a HUD repo, then it is 110%) and who will hold/disburse the funds. Escrow repairs must be completed prior to submittal of closed loan file to Master Servicer for purchase. The Final Inspection report verifying repairs have been completed is required. More details are available at: www.servsol.com.

The lender is responsible for ensuring that the borrower, property, and other aspects of the loan meet the particular insurer and servicing guidelines of the loan type chosen.

4.6 Repurchase Conditions

The lender must repurchase from NCHFA any Home Advantage loan or Home Advantage loan with DPA upon the occurrence of any of the following events:

- 1) the loan closes before formal NCHFA written approval;
- 2) the lender breaches any covenant, warranty or representation in the Mortgage Origination Agreement or this Program Guide;
- 3) the DPA is defective arising from the origination, closing or delivery of the DPA to the Master Servicer;
- 4) the DPA documents are not delivered in a timely manner or in the form described in the Program Guide;
- 5) the DPA does not conform to the terms of its commitment or approval as per the Program Guide;
- 6) any request by the Master Servicer to repurchase the related first mortgage loan; or
- 7) the lender makes any warranty or representation under the Mortgage Origination Agreement which, in the sole discretion of NCHFA or the Master Servicer, is determined to be false at the time when made by the Lender. Such representations or warranties include any fraud, material misrepresentation, or material act of omission regarding information submitted for the DPA or related first mortgage, regardless of whether the lender had knowledge thereof.

The repurchase of any DPA will be equal to the unpaid balance of the Note plus any interest, attorneys fees, legal expenses, court costs or other expenses that have been incurred by NCHFA or the Master Servicer regarding the DPA.

Loans that are not purchased by Master Servicer will not be reimbursed by NCHFA under any circumstances, for the 1st or 2nd mortgage. This includes FHA loans.

4.7 Minimum Investment

No minimum investment is required from the borrower. The AUS findings and all industry guidelines for loan type should be followed. All funds for down payment and closing may come from the borrower's funds, a gift, seller contribution to closing expenses, down payment assistance or grant.

4.8 Cash Back Limitation

The borrower(s) **cannot receive funds back at closing that exceed verified borrower-paid POCs and cannot exceed \$2,500 regardless of amount contributed, from any source.** All DPA funds must be used for Down Payment or Closing Expenses.

4.9 Assets

There is no maximum asset limitation for the borrower

Per Fannie Mae, for the proceeds from a bitcoin or other digital currency exchange to be considered as an eligible asset, it must be converted to US currency and deposited into an eligible asset account. All assets must be verified in accordance with B3-4.2-01, Verification of Deposits and Assets.

4.10 Gift Funds

Gift funds are allowed and must meet the loan type (i.e., FHA, USDA, VA or conventional) Agency guidelines. Conventional loans must also comply with any requirements of the private mortgage insurance (PMI) company used.

4.11 Lien Position Policy

At time of closing, NCHFA will NOT take a lower lien position on down payment assistance loans against any other non-NCHFA subordinate loans from any source. The NCHFA DPA must be in 2nd lien position, including when combined with CPLP – in which case CPLP is 3rd. IRS tax liens are not allowed. All subordinate financing must meet all investor, GSE, and federal regulatory requirements.

4.12 Principal Reduction Policy

Master servicer does not allow recasting of loan amounts after closing. Excess funds or investment from borrower after all closing costs are paid should be used to reduce the 1st mortgage loan amount before closing.

Maximum cash back to borrower at closing cannot exceed \$2,500 and must be from verified POCs paid into the transaction by the borrower(s). Excess Borrower funds

resulting from gift funds or verified Borrower POCs, EMD, or Due Diligence fee, may be applied as a principal reduction.

To make the necessary changes at closing:

- a. Do NOT change the Promissory Note
- b. Amend the Closing Disclosure to reflect the amount of the Principal Reduction
- c. Post-closing, after ServiSolutions has purchased the loan, send the amount of the Principal Reduction to ServiSolutions at:

4.13 Down Payment Assistance (DPA) – 3%

Down payment assistance (DPA) is available to all homebuyers who qualify for an NC Home Advantage Mortgage™ loan from participating lenders. Income limits are the same for borrowers whether they choose NCHFA DPA or not. In addition, the same minimum FICO credit scores and DTI limits apply, regardless of whether the borrower uses DPA.

Eligible borrowers can borrow up to 3% of the first mortgage total loan amount for FHA and VA loans and up to 3% of the first mortgage loan amount for conventional loans.

The DPA is provided as a 15-year deferred/forgiven subordinate lien. The DPA is deferred for the first 10 years and forgiven by 20% each year at the end of years 11 through 15. After 15 years, the loan is fully forgiven. Repayment of the DPA (any portion not yet forgiven) is due and payable only when the house is sold or refinanced before year 15 or there is a breach of the Promissory Note.

The **maximum Origination Fee is capped at 1%** of the loan amount. Fees not directly paid to a 3rd party are **capped at \$1,300**. The 1% cap and \$1,300 are shown in Section A of Loan Estimate (LE). Example fees under the \$1,300 cap in Section A of the LE are underwriting fee, application fee, commitment fee, etc. These are capped at \$1,300 max and must meet state or federal high-cost guidelines. Total fees are 1% + \$1,300 as appropriate.

a) Key NC Home Advantage Mortgage™ 3% DPA Highlights:

- 15 year deferred/subordinate lien
- Forgiven at 20% per year at end of years 11-15
- 0% interest rate on DPA
- Repayable when home is sold or refinanced before year 15, or borrower breaches the Promissory Note
- 3% calculated on total loan amount

- 1003 Qualifying Income (1003 income)
- Not restricted to first-time home buyers

4.14 Down Payment Assistance (DPA) – General Guidelines

- 1) NCHFA does not offer stand-alone subordinate liens. The DPA is not assumable.
- 2) The DPA must comply with all federal and state statutes, rules and regulations, as amended from time to time including, but not limited to, RESPA and mortgage loan servicing regulations, and secured by a residential second-lien mortgage against the borrower's principal residence located within the State.
- 3) A separate Loan Estimate (LE) is required for the subordinate mortgage.
 - a. No attorney fees may be charged on the second mortgage (DPA).**
 - i. Allowable fees are a Housing Counseling fee, if paid on behalf of the borrower
 - ii. A recording fee (cost to record at the register of deed's office)
 - iii. An application fee, if actually charged by lender on all loans.
- 4) There is no prescribed allowable amount for these fees per the CFPB under the Partial Exemption rule, but they must be reasonable, normal and customary.
- 5) DPA cannot be used to pay negative equity (meaning the property appraises for less than the sales price), nor to pay extension fees, or to pay off debts, collections or judgments.
- 6) The borrower may obtain subordinate financing from other sources that also meet FHA, VA, USDA and conventional guidelines. NCHFA will only take 2nd lien position.
- 7) Gift funds are eligible as long as the loan type (i.e., FHA, USDA, VA or conventional) allows them. Conventional loans must also comply with any requirements of the PMI company used.
- 8) DPA used in conjunction with USDA loans must meet USDA's underwriting thresholds. The lender is responsible for verifying that rates and program meet USDA guidelines.
- 9) DPA funds cannot be used for repairs or repair escrows.
- 10) DPA funds cannot be used to pay Realtor / real estate commissions.
- 11) Lender is responsible for 2nd mortgage (DPA) until purchased by Master Servicer.

4.15 Funding of the DPA by Participating Lender

The lender must fund the subordinate DPA mortgage at closing, except for CPLP subordinate mortgages.

The subordinate DPA mortgage must be closed in NCHFA's name and utilize NCHFA's Deed of Trust (Form 405) and Promissory Note (Form 406), available at www.nchfa.com. The Master Servicer will purchase the first mortgage and NCHFA DPA from the lender after the approval of the closed loan by the Master Servicer, with the exception of CPLP subordinates which will be funded by NCHFA at closing. The Lender must use the ServiSolutions checklist(s) for delivery.

ServiSolutions requires a copy of the NCHFA Commitment to be included as part of the closing package.

For FHA loans, at the time the lender obtains the Commitment Letter, the document will also contain a Down Payment Assistance (DPA) Award Letter and a Legally Enforceable Obligation Letter pursuant to HUD Mortgagee Letter 2013-14 and HUD Handbook 4000.1 II.A.4.d.ii.(C) The lender must provide a copy of the Down Payment Assistance (DPA) Award Letter and the Legally enforceable Obligation Letter executed by the borrower(s) in the FHA case binder as well as the closed loan file electronically delivered to ServiSolutions.

Loans that are not purchased by Master Servicer will not be reimbursed by NCHFA under any circumstances, for the 1st or 2nd mortgage. This includes FHA loans.

4.16 Subordination Policy for Refinances (DPA)

To be eligible for subordination on the down payment assistance (DPA):

- 1) The age of the NCHFA second mortgage must be at least 7 years old from the date of closing (84 months).
- 2) The refinance of the first mortgage must not allow any cash back to the borrower(s) except for a refund of Paid Outside Closing (POC) items paid during the processing of the new mortgage, such as an appraisal fee.
- 3) The new first mortgage Principal and Interest (P&I) payment must be lower than the current first mortgage P&I payment. Exception: Reduction in loan term from 30 years to 25 or fewer years.
- 4) The new first mortgage must be a fixed rate loan. (Credit union ARM loans may be permitted).
- 5) The subordination, if approved, will retain NCHFA's lien position. If the current NCHFA subordinate lien position is second, then the subordinated lien retains the second lien position.
- 6) Closing costs may be financed into the new loan if allowed by the new loan product. The request for subordination will be denied if the sum of any Loan Origination Fee(s) and/or Commitment fees exceeds 2% of the new first mortgage loan amount.
- 7) Subordinations will be allowed if the new first mortgage is a reverse mortgage.

- 8) A non-refundable processing fee of \$250 must be submitted with the subordination request documents. The check must be payable to North Carolina Housing Finance Agency. No personal checks allowed. Any changes made after NCHFA's subordination approval will require an additional non-refundable processing fee of \$250. (Note: No fee(s) will be charged if the source of funding for the subordinate loan is HOME funds.)

Requests should be emailed to: subordinations@nchfa.com

Section 5: Borrower Eligibility Guidelines

Lenders must review the borrower requirements in this section to assess the eligibility of mortgages to be purchased in the program.

The lender is responsible for ensuring the borrower's compliance with various program requirements, including the income limit requirement.

5.1 Borrower Requirements

- 1) Borrower(s) shall occupy the property as a principal residence within sixty (60) days after loan closing.
- 2) Borrowers do not have to be first-time homebuyers. Move-up/repeat buyers are also eligible for the 3% down payment.
- 3) Citizens, permanent legal residents, and non-permanent legal residents of the United States are eligible for NC Home Advantage Mortgage if they meet all residency requirements applicable to their lender and loan type (i.e., conventional, FHA, VA, USDA). Due diligence for confirming citizenship and/or residency status and compliance with federal and other requirements for mortgage loan financing for borrowers is the responsibility of the lender.
- 4) Co-signors or non-occupying borrowers are not allowed.
- 5) Pre-purchase education is required for first-time homebuyers. Certificate is valid for 1-year.

5.2 Pre-Purchase Education Requirement for First-Time Homebuyers

Pre-purchase education is required for first-time homebuyers (only one borrower is required to take the training; follow GSE requirements by loan type). The lender should upload the pre-purchase education certificate to NCHFA prior to issuance of NCHFA's Commitment. FHA, HUD, or Freddie Mac approved on-line or in-person pre-purchase education programs are acceptable. Per Fannie Mae Selling Guide Part B2-2-06, conventional loans require the homeownership education course or counseling meet standards defined by HUD or the National Industry Standards for Homeownership Education and Counseling. Certificates are valid for 1-year.

If the loan has more than one borrower, and one of the borrowers is not a first-time homebuyer, then no pre-purchase education certificate is required. CPLP loans require

in-person training or a NCHFA approved on-line class. CPLP member partners can provide more information.

CPLP loans require in-person training or a NCHFA approved class. CPLP member partners will provide borrower(s) with more information.

5.3 Income Limits

Borrower(s) must meet program income limits, and lenders must calculate income using the procedures outlined in this section. If the NC Home Advantage Mortgage™ product is paired with an MCC, then the MCC income guidelines must be followed.

Qualifying income is defined by FHA, VA, USDA, Fannie Mae HFA Preferred, or Freddie Mac Home Possible HFA Advantage industry guidelines. The NC Home Advantage Mortgage™ program does not count household income of non-borrower individuals.

NCHFA will use the income specified on the final application (1003) for compliance. Application of future income regarding qualifying income should follow FHA, FNMA, USDA or VA investor requirements. Once a loan (1003) is submitted via the OLS portal, changes to income are not allowed.

Income limits are a single statewide limit for the NC Home Advantage Mortgage™ product, unless it is paired with an MCC in which case the county-by-county MCC household income limits apply. Income limits are subject to change.

Current income limits can be found on the NCHFA website at www.nchfa.com or via OLS at <https://www.nchfa.org/MySystems>.

Tax Transcripts are NOT required for NC Home Advantage loan approval, however ServiSolutions may require the most recent year's transcripts for all borrowers for post-closing audits. The ServiSolutions funding checklist can be found at www.servsol.com.

5.4 Section 8 Vouchers

When using a Section 8 Voucher, the lender must verify that the underlying income calculation meets all GSE guidelines. The Servicer will not accept split payments, meaning that the customer is solely responsible for submitting the full mortgage payment when due. (The non-profit or local issuer of the voucher cannot send in the partial payment to the Servicer.)

5.5 Ratios

The maximum debt-to-income ratio for all loan types with or without down payment assistance is 45.0%. These ratio maximums apply to all NC Home Advantage Mortgage™

loans regardless of the AUS recommendation. There is no front ratio limit at this time, but you must follow the industry guidelines for the loan type.

5.6 Credit Score Requirements

All loans must receive an AUS Approve/Eligible or Accept credit recommendation (DU/GUS/FHA Total Scorecard. LPA allowed on FHA/VA and Freddie Mac HFA Advantage only). In addition, all borrower(s) must have a minimum of two credit scores, the lowest or mid-score being 640 or higher. Both borrower and co-borrower must meet these credit score minimum thresholds, including any GNMA, FNMA or MI company minimum credit scores, if applicable.

To determine the applicable minimum credit score, the lender should first evaluate each borrower separately. The applicable credit score is the lower score when two credit scores are obtained or the middle score when three credit scores are obtained. Borrower(s) with only one score or no credit scores are not eligible for the program.

If more than one individual is applying for the same mortgage, the lender should determine the applicable credit score for each individual borrower and then select the lowest applicable score from the group as the “representative” credit score for the mortgage. The “representative” credit score for the mortgage should be used to underwrite and evaluate the comprehensive risk for the mortgage application.

NCHFA does not accept loans with non-traditional credit histories, no credit scores or borrower(s) with one credit score.

5.7 Collections Policy / Liens / Judgments / Student Loans

Industry standards for payment of collections vary based on loan type. The Automated Underwriting Systems [Desktop Underwriter (DU), Desktop Originator (DO), Loan Product Advisor (LPA), FHA Total Scorecard or Guaranteed Underwriting System (GUS)] must show that all collections were included in the final AUS Findings analysis.

All judgments, regardless of balance, must be paid in full prior to or at closing or meet industry guidelines for repayment, if applicable.

IRS liens are not allowed. Calculation of student loan debt(s) should comply with FHA, FNMA, USDA or VA requirements for calculation of monthly payment and follow any AUS Finding messages.

5.8 Bankruptcy Policy

The participating lender should follow industry standards regarding bankruptcy waiting periods which may vary based on loan type. NCHFA does not have a standalone policy regarding prior or existing bankruptcy waiting periods.

5.9 Short Sales/Foreclosures

The participating lender should follow industry standards regarding short sale/foreclosure waiting periods which may vary based on loan type. NCHFA does not have a standalone policy regarding short sales or foreclosures.

5.10 Flip Properties

The participating lender should follow industry standards regarding flip transaction waiting periods which may vary based on loan type. NCHFA does not have a standalone policy regarding flip transactions.

Non-arms-length transactions must follow industry guidelines.

Section 6: Property Eligibility Guidelines (NC Home Advantage: 97% LTV & 3% DPA only)

Lenders must review the property requirements of this section to ensure the eligibility of mortgages to be purchased in the program.

6.1 Property Requirements

There is no NCHFA sales price limit for a home financed through the NC Home Advantage Mortgage™ program unless the NC Home Advantage Mortgage™ is paired with an MCC or the NC 1st Home Advantage \$15,000 DPA program.

Sales price limits are determined by the loan program and insurer guidelines.

The residence must be in North Carolina and must be eligible for mortgage insurance under FHA, VA, USDA, or conventional guidelines as a principal residence.

Loans requiring repair escrows are acceptable. However, the lender must follow ServiSolutions guidelines before proceeding. Approved repairs typically include paint (interior and exterior), carpet, appliances, roofing and minor exterior repairs such as fascia boards, eaves, gutters and window replacements. No structural repairs allowed.

ServiSolutions® does not require prior approval of escrow hold backs. The lender must maintain a copy of the escrow agreement and copies of work bid estimates. The escrow agreement usually provides the list of repairs, cost of repairs, total price of the holdback (150% of repair unless it is a HUD repo, then it is 110%) and who will hold/disburse the funds. Escrow repairs must be completed prior to submittal of the closed loan file to Master Servicer for purchase. More details are available at: www.servsol.com.

The lender is responsible for ensuring that the borrower, property, and other aspects of the loan meet the particular insurer and servicing guidelines of the loan type chosen. Credit score requirements are specified in Section 6 and apply to all borrowers on the loan.

All escrow funds must be released prior to submission of closed loan file to and purchase of loan by ServiSolutions.

6.3 Owning More Than One Home

If the borrower(s) intends to retain ownership in more than one residence after closing, including rental, vacation, or second homes, the lender must verify that the borrower(s) are eligible for financing according to industry guidelines from FNMA, FHA, VA or USDA.

The property seller must be the owner and on title at the time of the initial loan application. A transfer of title ownership any time after the initial loan application and prior to the closing is not acceptable.

In no case may a borrower have more than one (1) property financed through NCHFA at any time or one outstanding NCHFA product.

6.4 Property Appraisal Condition Requirements

Eligible property conditions are C1, C2, C3, and C4.

If the URAR appraisal indicates a C5 and C6 property condition, it is not eligible for NCHFA programs or financing. The property condition will be shown on the Uniform Appraisal from a licensed property inspector.

We do not finance properties with lots or parcels that are not contiguous. Property must be under one deed and include the primary residence.

Appraisal waivers are not allowed.

All homes must have a working HVAC system and meet all appraisal and/or repair inspection requirements.

Any appraisal with a CU Risk Score of 4 or 5 will require a written signed statement from the Participating Lender's Underwriter explaining why the appraisal was approved with a credit risk score 4 or 5. This statement must be provided as part of the Closing Package to ServiSolutions for evaluation.

Section 7: Loan Origination and Underwriting Steps

7.1 General

Eligible borrowers apply for the NC Home Advantage Mortgage™ program through participating lenders by completing a standard mortgage application. If the loan meets the applicable credit and underwriting guidelines, the lender will enter the requested information and lock the loan in OLS, establishing the Lock-In Expiration Date (the date by which the Master Servicer must purchase the loan). After locking the loan, the lender must upload the requested documents for NCHFA's review prior to closing. Once NCHFA approves the documents, it issues a Commitment, pending the Master Servicer's approval of the loan post-closing. Under no circumstances should any NC Home Advantage Mortgage™ loan close without a Commitment from NCHFA.

Documents required to be uploaded via OLS electronically should be submitted as early as possible, but not before the final underwriting review has been completed, to allow sufficient time for NCHFA to review the file and for the lender to make corrections. NCHFA will review files on a first-come, first-served basis within 48 hours of receipt. This policy also applies to any additional or revised documentation which is submitted at a later date.

Once all documents have been submitted to NCHFA via the OLS online system, no changes may be made to the documents unless requested by NCHFA.

7.2 NCHFA Normal Review Time

Every effort will be made to review all loans within 48 hours of submission to NCHFA via the OLS portal. Pend conditions may take an additional 48 hours to review, after the last condition has been received.

7.3 Loan Origination

Borrowers and non-borrowing occupants are required to meet all FHA, VA, USDA or Fannie Mae HFA Preferred industry guidelines, and loans must be eligible for FHA insurance, VA or USDA guarantee or private mortgage insurance (PMI). Conventional loans may use any Fannie Mae and ServiSolutions approved PMI company. Conventional loans equal to or less than 80% LTV do not require PMI.

Note: The following procedures outlined here suggest the typical sequence of events for NC Home Advantage Mortgage™ loans:

- 1) Borrower reviews program details or visits the NCHFA website at www.nchfa.com and schedules an appointment with a participating lender.
- 2) If the preliminary screening indicates that the borrower meets NCHFA Program Guidelines and the loan meets FHA, VA, USDA, or conventional underwriting guidelines, the lender takes a formal application.
- 3) Lender verifies that borrower's income, DTI ratio, and industry guidelines are met. The lender's underwriting staff runs AUS Findings and completes a formal underwriting review of the loan file.
- 4) If DPA funds are part of the transaction, a separate Loan Estimate (LE) is required for the subordinate mortgage. No attorney fees may be charged on the second mortgage (DPA). Allowable fees are a Housing Counseling fee, a recording fee (cost to record at the register of deed's office), and an application fee. There is no prescribed allowable amount for these fees per the CFPB, but must be reasonable and customary.
- 5) All loans must receive an AUS Approve/Eligible or Accept credit recommendation (DU/GUS/FHA Total Scorecard). In addition, all borrower(s) must have a minimum of two credit scores, the lowest score being 640. For conventional loans, only loans that are DU eligible or LPA Accept are allowed. LPA is acceptable for FHA and VA and Freddie Mac conventional.
- 6) To determine the single applicable credit score, the lender should first evaluate each borrower separately. The single applicable credit score is the lower score when two credit scores are obtained or the middle score when three credit scores are obtained. A borrower with only one credit score is not eligible for financing.
- 7) NCHFA will not accept loans with non-traditional credit histories or those with only one credit score, regardless of the loan type.
- 8) After the lender has underwritten the borrower loan file, the lender will access the Online Lender Services System (OLS) (<https://www.nchfa.org/MySystems>) and input the loan information and print the lock confirmation form. Once this step is complete, the interest rate is locked for a period of 60 days. Expired locks are subject to a mark-to-market fee based on market conditions at the time the loan is purchased. To avoid a mark-to-market fee, an extension must be requested via OLS, for which extension fees apply.
- 9) After the rate is locked and the loan has received final underwriting approval by lender, and prior to closing, the lender must upload the documents required for NCHFA's review via OLS.
- 10) Once all required documents are uploaded, NCHFA will review the documents within 48 hours. NCHFA will notify the lender via OLS if there are any issues to be addressed with the uploaded documents. If the documents are approved, NCHFA

will issue a Commitment via e-mail to the participating lender. For an FHA loan with DPA, the printing of the Commitment will also include a Down Payment Assistance Award Letter which the lender will provide to the borrower as well as a Legally Enforceable Obligation Letter pursuant to HUD Mortgagee Letter 2013-14 and HUD Handbook 4000.1 II.A.4.d.ii.(C).

NCHFA reserves the right to reject any mortgage loan application if, in its sole discretion, if NCHFA believes the mortgage loans do not comply with all rules, procedures and guidelines set forth in this Program Guide.

The **maximum Origination Fee is capped at 1%** of the loan amount. Fees not directly paid to a 3rd party are **capped at \$1,300**. The 1% cap and \$1,300 are shown in Section A of Loan Estimate (LE). Example fees under the \$1,300 cap in Section A of the LE are underwriting fee, application fee, commitment fee, etc. These are capped at \$1,300 max and must meet state or federal high-cost guidelines. Total fees are 1% + \$1,300 as appropriate.

7.4 Pre-Approval Forms/Documents Required

The participating lender shall upload via OLS the following documents prior to closing an NC Home Advantage Mortgage™ loan:

- Final Uniform Residential Loan Application (Form 1003)
- Automated Underwriting System (AUS) Findings (final)
- Uniform Residential Appraisal Report (URAR), all pages, PDF, Color
- Loan Estimate (LE) on 1st
- Loan Estimate (LE) on the 2nd, if applicable
- Proof of homebuyer's homeownership education (if first-time home buyer)
- Form-026 Notice to Borrower, if utilizing Down Payment Assistance (DPA)

Please note that if the NC Home Advantage Mortgage™ loan is paired with an MCC, the MCC guidelines for documents required must be followed and take precedence.

Once all documents are uploaded, NCHFA reviews the submission package for completeness and verifies income and ratios according to program guidelines.

If the submission package is acceptable, NCHFA will issue a written Commitment, which the lender can print via OLS. No loan may close without the formal approval and Loan Commitment from NCHFA. Any loan that closes before NCHFA approval is subject to non-purchase by Servicer or repurchase.

If the loan is an FHA loan and has DPA attached, the Commitment letter will also contain **FHA Award Letter** and a Legally Enforceable Obligation Letter. These documents must be signed before closing or the entire loan is no longer FHA eligible.

Loans that are not purchased by Master Servicer will not be reimbursed by NCHFA under any circumstances, for the 1st or 2nd mortgage. This includes FHA loans.

The Master Servicer will purchase a first mortgage loan and a DPA loan in a specified amount from the lender upon evidence of compliance with the NC Home Advantage™ program requirements and the closing of the mortgage loan.

Note: Any changes on Form 1003 or to the AUS findings after the issuance of the Commitment Letter will render the loan subject to non-purchase. A Loan Estimate (LE) is always required on the second mortgage. No attorney fees can be charged on the second mortgage.

7.5 Loan Closing After NCHFA Issues Commitment

- 1) No loan can be closed without NCHFA's formal Commitment Letter. Any loan that closes before formal NCHFA approval will be subject to non-purchase by Servicer and/or NCHFA.
 - NCHFA's Conditional Commitment is a specific approval based on loan type, AMI, and other criteria when submitted to the Agency for review and approval. The Commitment contains a warning indicating that any changes occurring after NCHFA's approval could result in non-purchase. Beginning January 1st, 2024 the Agency will be imposing a \$500 fee for unauthorized changes. The fee will be billed to the lender, and must be paid before the loan will be authorized for purchase by our Master Servicer. This applies to loans that remain eligible for purchase with any changes from our Conditional Commitment according to GSE guidelines. NCHFA's Conditional Commitment does not guarantee that a loan can be purchased.
- a.
- 2) The lender should provide the Quality Control Certification & Authorization to the closing attorney prior to closing (forms available at www.servsol.com). If the loan does not meet all program and industry guidelines, the loan will not be purchased by the Master Servicer.

- 4) All participating lenders must be MERS® members.
- 5) All Closed Loan Files are submitted separately to BOTH NCHFA and Master Servicer (ServiSolutions) for review.

Steps for MERS® Members

- 1) Generate a MIN (Mortgage Identification Number) within your system and place the MIN on the Deed of Trust.
- 2) Use the MOM (MERS® as Original Mortgagee) Deed of Trust form.
- 3) Register the loan in your name with the MERS® System using your MERS® Org. ID as Servicer and Investor within 10 business days of closing.

- FNMA/FHLMC - 2.5% or \$2,500 whichever is greater
- FHA/VA - \$2,500
- USDA - \$1,000

7.9 Electronic Signatures

Electronic Signatures are allowed on certain Agency forms and industry forms, subject to the following general rules. The e-Signature must be e-Sign or UETA compliant.

The use of e-signatures is voluntary, but lender transactions utilizing e-signatures must meet the following standards:

- 1) NCHFA does not accept documents that have been signed solely via voice or audio. The electronic signature and date should be clearly visible on any and all documents when viewed electronically and on a paper copy of an e-signed third-party document.
- 2) for borrowers that are entities, the signatory must be a representative who is duly authorized in writing to bind the entity;
- 3) evidence of such written authority must be maintained by Lender;

- 5) e-signatures and the accompanying dates must be clearly visible on all e-signed documents;
- 6) e-signatures are **NOT permitted** on promissory notes, deeds of trust, mortgages, documents that require notarization or witnesses, or transactions utilizing a power of attorney; and
- 7) e-signature must meet all state and federal laws and regulations.

7.10 Power of Attorney (POA) Guidelines

NCHFA will accept Powers of Attorney (POA) that meet certain criteria. In all cases the POA must be provided to NCHFA PRIOR to approval of the loan and before closing. POAs may be used on NCHFA forms including the Deed of Trust and Promissory Note if they meet the criteria below and all legal requirements under NC State Real Estate law. Nothing below supersedes federal or state laws.

The criteria for use of a POA on any document in the NC Home Advantage program are as follows:

- 1) The power of attorney used for signature on a deed of trust or deed (or other recorded document) must be recorded in the county where the property is located prior to the documents being recorded. The date of the power of attorney must be valid as of the time of execution of the closing documents.
- 2) The name on the power of attorney must match the name of the person on the loan documents for which that person is acting as attorney-in-fact.
- 3) The power of attorney must be notarized and in recordable form.
- 4) It is preferred that the wording for a POA specifically refers to the subject property address. It is not required by NC Statute, but is recommended whenever possible.
- 5) A copy of the power of attorney must be provided to NCHFA prior to loan approval by NCHFA and prior to closing of the first and/or second mortgages.
- 6) “Agent’s Certification for POA” document required when the borrowers are using POA for their closing docs.

- h. any real estate agent with a financial interest in the transaction or any person affiliated with such real estate agent.

Section 8: Post-Closing Processing Steps

8.1 General

After the participating lender has closed the NC Home Advantage Mortgage™ loan according to the guidelines specified in Section 7, it should follow the procedures outlined below for post-closing steps. NCHFA's designated Master Servicer will only purchase mortgages that are originated by approved participating lenders, and which comply with program guidelines including federal and state requirements.

The closing package related to the closed loan must be uploaded to BOTH NCHFA and Master Servicer in designated stacking order within 10 calendar days after closing. The stacking order of documents is detailed in the following link on the ServiSolutions website: www.servsol.com/lenders/nchfa_documents.aspx. The closing package needs to contain all documents in the proper order* and uploaded as one pdf file to ensure a timely review of the documents by ServiSolutions. Neither NCHFA nor the Master Servicer is obligated to purchase a loan past its Lock-in Expiration Date if the loan has not been timely extended by the lender via OLS prior to its expiration date.

*Loans not in proper stacking order may be subject to delayed review and purchase.

The current Closing Package Checklist is available at www.servsol.com.

The NCHFA EIN #: 56-1700536

a) Review of the Mortgage Loan

The closed mortgage loan package must be received by ServiSolutions within ten (10) days of loan closing (upload closing file to BOTH NCHFA and ServiSolutions websites).

- 1) Lenders must check the closed loan package to confirm that all items listed on the Funding Checklist are included in the package. Loans will not be funded if any of the items on the checklist are missing or incorrect.
- 2) All loans purchased by ServiSolutions will require mandatory registration with MERS®. No assignments will be accepted for first or second mortgages. Lenders must transfer all applicable rights in MERS® to ServiSolutions immediately after purchase.
- 3) Loans where the interest rate, loan amount, or loan type do not match the Commitment issued by NCHFA may not be eligible for purchase by Master Servicer (ServiSolutions).

Upon completion of the closed loan file compliance review, the mortgage loan(s) will be funded if the file is complete and is in compliance with all requirements. Closed loan packages will not be funded until all required fundable documentation has been received and all compliance issues cleared.

b) Penalties Withheld from Funding

Lenders have 10 days from closing to deliver the complete closed loan package to ServiSolutions and NCHFA (upload to both websites). A loan is considered to be in a fundable condition when a complete closed loan package is delivered without errors or missing documents. Loans with delinquent payments will not be purchased. Lenders will have 40 days from the date of closing to clear the loan exception with no penalty. If the loan is not cleared until 41 days from the date of closing, the lender will be charged a late delivery fee of 50 basis points (0.50%) of the principal purchased. If the file is not cleared by the 71st day from the date of closing, original Notes will be returned to the lender and the loan(s) will not be purchased. This section does not override any applicable lock expiration period.

Extension fees may be required if the loan is not purchased/funded by Master Servicer by the applicable expiration date. The amounts of all fees and penalties are subject to change. The current schedule of penalties and fees is located at www.servsol.com.

c) Funding of the Mortgage Loan

ServiSolutions will issue an ACH (or wire) on single and multiple fundings every Wednesday and Friday for each lender. A breakdown of the multiple lenders' fundings will be included with the ACH or wire. Any discrepancies should be communicated to the Funding and Delivery Department at ServiSolutions.

Only one set of ACH/wiring instructions will be accepted from each lender. Lenders are allowed one change to the wiring instructions per calendar year. Subsequent changes to ACH/wiring instructions will result in a \$500 fee per transaction.

Lenders are responsible for servicing the loan until purchased by ServiSolutions to include the payment of all required escrow disbursements for each loan during the period from closing to purchase.

In general, fundable closed mortgage loan packages received by the close of the business day on Monday of each week will be funded on Friday. Those received by the close of business on Thursday will be funded on Wednesday of the next week. All loans must be approved and cleared for purchase by ServiSolutions prior to funding.

The funding amount for both first and second mortgages will consist of:

- 1) Scheduled unpaid principal balance.
- 2) Servicing Release Premium per the Program Guidelines (1st mortgage only).

- 3) Interest from the closing date through the purchase date or interest from the last paid installment date to purchase date at the loans per diem rate.

Amounts to be deducted from funding of both first and second mortgages will consist of:

- 1) penalties or fees assessed in 9.1 (b) or (c);
- 2) prepaid interest (Loans purchased by the 15th of the month prior to the first payment due date only);
- 3) prepaid escrow (unless after first payment) or current amortized escrow balance on the loan, less any disbursements;
- 4) Tax Service fee of \$85; and
- 5) Loan funding fee of \$211.

d) Final Documentation.

The lender is to submit the final mortgage loan documentation consisting of the following original documents to Master Servicer (ServiSolutions) within 120 days of closing:

- 1) Recorded General Warranty Deed showing conveyance of subject property from the seller to current borrower.
- 2) **Recorded** First Mortgage Deed of Trust (MERS)
- 3) Title Policy

- 5) **Recorded** Second Mortgage Deed of Trust (NCHFA Form 405 for DPA Home Advantage (if applicable)
- 6) Original, recorded intervening Assignment/ MERS® assignment

e) Transfer of Loan Servicing Rights and Benefits.

The originating lender retains loan servicing rights and benefits until ServiSolutions purchases the loan. The originating lender will perform all servicing duties until that time. Servicing and benefits rights transfer to ServiSolutions at the time of loan purchase. The lender will be sent a reminder along with the purchase payment advice to send out a goodbye letter to the borrower. ServiSolutions will send the borrowers a Notice of Sale, Assignment or Transfer and two temporary payment coupons at the time of loan purchase. The first payment due to ServiSolutions will be determined based upon when the Notice of Sale, Assignment or Transfer is sent. If the loan is purchased (purchase date) on or before the 10th of the month, the first payment due to ServiSolutions will be the next scheduled monthly payment due date. After the 15th, the effective date will roll to the following scheduled monthly payment due date. The lender must transfer the 1st lien mortgage loan to ServiSolutions through the MERS® system immediately after purchase.

Examples:

- 1) A loan that closed on 06/02/18 is received by ServiSolutions 06/8/18 and is being funded on 06/10/18. This loan will be purchased at the original note amount with no late delivery penalty.
- 2) A loan that closed on 06/24/19 is not received by ServiSolutions until 7/28/19 and is ready to be funded on 08/16/19. The initial payment on this loan is due on 08/01/19. If the loan is purchased after the 15th day of the month, the effective date of transfer to ServiSolutions will roll to the following scheduled monthly payment due date with the lender collecting the next scheduled payment. The lender will be charged a late delivery fee of 50 basis points (0.50%) of the principal purchased.

8.2 Closing of DPAs in NCHFA's Name

The lender must close the NCHFA DPA subordinate mortgage in NCHFA's name and utilize NCHFA's Deed of Trust (Form 405) and Promissory Note (Form 406), available at www.nchfa.com.

8.3 Signatures on the DOT and Promissory Note

Only the borrower(s) must sign the Deed of Trust (Form – 405). Non-borrowing spouses may sign the Deed of Trust, but are not required to sign if they are not a borrower. For separated borrowers, a recorded free-trader agreement, either stand-alone or containing such language in a Separation Agreement is required regardless of the AUS Findings or loan type. Grantor section of Deed of Trust must list marital status.

A signed free-trader agreement for separated borrowers is required (must be recorded).

Only the borrower(s) sign the Promissory Note (Form 406).

Any person who is a titleholder must be listed on the General Warranty Deed. Income of all titleholders must be included in the calculation of Family Income. Non-occupant titleholders are not allowed.

8.4 Uploading the Closing Package (Required to BOTH NCHFA and ServiSolutions)

Closing must be uploaded to BOTH the Master Servicer (ServiSolutions) Lender Portal website and NCHFA OLS website. Files will not be reviewed until upload is complete.

All closing documents are to be uploaded within 10 calendar days after closing to ensure that the Master Servicer has adequate time to review the documents, clear contingencies and purchase the loan no later than the Lock-In Expiration Date.

The Master Servicer provides a complete checklist and stacking order of required documents on its website at www.servsol.com/lenders/nchfa_documents.aspx. Assistance may be requested by emailing the Master Servicer at lenderinquiries@servsol.com.

The closing package will be uploaded as a single, combined pdf document following the stacking order specified by ServiSolutions for its review. As part of its review process, if the Master Servicer needs additional documents or corrections to documents already provided, the Lender must upload additional documents directly to Master Servicer via their Lender Portal (go to www.servsol.com). Omission of required documents or documents that do not follow the stacking order as directed by ServiSolutions will result in delays of the review process and may require another upload of the entire package.

The lender must endorse the first mortgage Note as follows:

“Pay to the Order of ServiSolutions, a Department of Alabama Housing Finance Authority without Recourse.”

The Note must be signed by the appropriate lending official. This endorsement should be on the last page of the Note.

The use of an Allonge is not acceptable.

The original Note and Deed of Trust for the first mortgage and the original Promissory Note (Form 406) and Deed of Trust (Form 405) for the NCHFA subordinate mortgage (DPA) must be mailed to ServiSolutions at the following address:

ServiSolutions
Attn: Funding and Delivery
7460 Halcyon Pointe Drive, Suite 200
Montgomery, AL 36117

The signature(s) and date on the Promissory Note must match the first mortgage Note. Under no circumstances is the lender allowed to advance a mortgage payment on behalf of the borrower.

The Master Servicer website, which has copies of its checklist and other information, may be found at www.servsol.com.

8.5 Loan Purchase Review and Funding

As noted in Section 8.1, mortgage loan closing documents must be uploaded within 10 calendar days after closing for review by the Master Servicer.

- 1) The Master Servicer reviews the closing package for completeness and compliance. If the Master Servicer needs corrected documents or additional documents in its review process, it will notify the lender by e-mail. The lender should upload the additional documents directly to Master Servicer via their eDocs platform. ServiSolutions must have the correct contact information, and the contact email

address inbox must be monitored. ServiSolutions will use the contact information provided on the Funding Checklist.

- 2) ServiSolutions requires the most recent year's tax transcript for all borrowers.
- 3) The Master Servicer purchases loans twice weekly: on Wednesdays and Fridays. If the loan has not been delivered to the Master Servicer by the Lock-In Expiration Date, the lender must request an extension via OLS and an associated extension fee will be assessed. Locks that expire without an extension will be assessed a mark-to-market fee at the time of purchase based on market conditions.
- 4) The Master Servicer will purchase mortgages in the order in which they are approved for funding. The Master Servicer will transfer funds via wire or ACH to the specified account of the lender. The Master Servicer cannot make assurances about the time required for mortgages to be purchased.
- 5) Purchase schedules will be forwarded to originating lenders by the Master Servicer indicating which loans will be purchased.
- 6) Upon completed purchase of the loan(s), the Master Servicer will pay to the lender compensation based on the first loan amount, inclusive of any servicing release premium. Any extension fees (for extended locks) or mark-to-market fees (for expired locks) will be netted from the lender compensation amount at the time of purchase.
- 7) For fees and costs at loan purchase/funding please refer to section 8.1.

8.6 Shipping the Final Documents to Master Servicer

- 1) All final documents (recorded Deed of Trust, Title Policy, and any corrections and/or title endorsements must be received by the Master Servicer within 120 days of loan closing.
- 2) The lender should send all final documents to the following address:

ServiSolutions /Post-Closing Documents
7460 Halcyon Pointe Drive, Suite 200
Montgomery, AL 36117
- 3) The Master Servicer checklist can be found at:
www.servsol.com/lenders/nchfa_documents.aspx.
- 4) The lender must submit to the Master Servicer the original executed FHA Mortgage Insurance Certificate (MIC), Loan Guaranty Certificate (LGC) for VA, Loan Note Guarantee (LNG) for USDA loans or Mortgage Insurance Certificate (MIC) for conventional loans. Failure to submit the insurance or guaranty certificate may result in a claim for the mortgage to be repurchased.

- 5) If a subordinate mortgage is included in the transaction, the Title Policy may reference both the first and second Deed of Trust mortgages in the policy. The title insurance companies may include the second Deed of Trust (the “DPA”) under Part II and list the specific coverage. The insurer must endorse the title policy and complete the Part II information correctly.
- 6) A separate Title Policy for the subordinate lien is not required.
- 7) The Master Servicer, ServiSolutions, does not offer mortgage life or disability insurance or any other type of optional insurance. Lenders may not include any optional insurance products with loans sold to ServiSolutions.

Section 9: Rate Extensions, Changes to Lock-In and Loan Withdrawal Guidelines

The lender is responsible for ensuring that loan officers and underwriters understand all the qualifying guidelines and program requirements, including program income limits and all information described in this Section.

9.1 Late File Submission

The loan must be purchased by the Master Servicer prior to the Lock-In Expiration Date to avoid extension fees. **The locked interest rate does not expire**, just the protection from extension fees if loan is not funded & purchased by Master Servicer before the expiration date. If the loan is not going to be purchased by the Lock-In Expiration Date, and the loan has not been delivered to ServiSolutions and NCHFA, the lender must request an extension via OLS prior to the Lock-In Expiration Date, and an extension fee will apply. If the loan has been delivered to ServiSolutions prior to the lock in expiration, but not yet purchased, ServiSolutions will extend the loan in 7-day increments for up to 30 days. If the lock expires, a mark-to-market fee will be applied to the loan which is assessed based on market conditions at the time the Master Servicer purchases the loan.

Extension fee or mark-to-market fee cannot be charged to the borrower. Proper disclosures and re-disclosures must meet all federal and state requirements. Loans remain valid and active, until either canceled or withdrawn by lender.

Extensions and extension fees are applied in the following manner:

If the complete closing package has been uploaded by the Lender in the proper stacking order prior to the original Lock-In Expiration Date, the lock will automatically be extended in 7-day increments with an associated extension fee of 0.0625% applied for each 7-day extension until the loan is purchased by the Master Servicer or has exceeded the maximum 30-day extension period.

If the closing package has not been uploaded by the Lender prior to the original Lock-In Expiration Date, the lender must request an extension via OLS prior to the Lock-In Expiration Date.

If the lender fails to request an extension via OLS prior to the Lock-In Expiration Date, the lock will be assessed a mark-to-market fee based on market conditions at the time the Master Servicer purchases the loan. The loan (and locked interest rate) is still active unless canceled or withdrawn by lender, regardless of expiration status.

If the lender requests an extension via OLS prior to the Lock-In Expiration Date, 7-day extension option is available, as well as a 15-day or 30-day extension. A 30-day extension is assessed an extension fee of 0.25%.

If the lender uploads the complete closing package in the proper stacking order prior to the end of the extension period, the lock will automatically be extended in 7-day increments with an associated 7-day extension fee of .0625% applied for each 7-day extension until the loan is purchased by the Master Servicer.

If the lender requested a 30-day extension, but the Lender has not yet uploaded the complete closing package prior to the end of the 30-day extension period, the lock will be assessed a mark-to-market fee based on market conditions at the time the Master Servicer purchases the loan. The exact amount is unknown until day of purchase by Master Servicer.

If the lender requested a 15-day extension, but the lender has not yet uploaded the complete closing package prior to the end of the 15-day extension period, the Lender has one additional opportunity to request a second 15-day extension in OLS. If at the end of the second 15-day extension period, the complete closing package has not been uploaded, the lock will be assessed a mark-to-market fee based on market conditions at the time the Master Servicer purchases the loan. The loan is still active unless canceled or withdrawn by lender.

For the closing package to have been properly uploaded, it must contain all the documents requested and in correct stacking order as directed by the Master Servicer on its website: www.servsol.com/lenders/nchfa_documents.aspx. Uploading an incomplete file does not constitute a valid upload and will result in delays in the review process and may require the documents to be uploaded again in the proper order.

All extension fees or mark-to-market fees will automatically be deducted from lender compensation at the time that the Master Servicer purchases the loan from the lender. The lender will be notified once via e-mail prior to the expiration of any lock.

9.2 Interest Rate Lock-In Policy

The NC Home Advantage Mortgage™ program is available on a loan-by-loan, first-come, first-served basis. NCHFA offers a 60-day lock-in period, which may vary from time to time. The mortgage loan must close and be purchased by the Master Servicer by the Lock-In Expiration Date. Once the mortgage loan closes, the lender must upload the Closing Package for review by the Master Servicer and NCHFA in accordance with Section 8. If the loan is not purchased by the Lock-In Expiration Date, but the lock has been granted an

extension, extension fees will apply and will be deducted from the final remittance amount. The loan is still active unless canceled or withdrawn by lender, even if “expired” meaning extension fees begin to accrue.

If the original lock-in period has expired, the loan will be assessed a mark-to-market fee based on market conditions at the time the Master Servicer purchases the loan from the lender. In no instance will the mark-to-market fee be less than what would have been charged if a timely extension had been requested.

The loan is still active unless canceled or withdrawn by lender.

Note: If a lock is withdrawn or canceled, the lender cannot initiate a new lock for the borrower until 60 days after the withdrawal/cancellation date. There is an exception, however. Each lock-in applies to a specific borrower and subject property. If the property is not purchased and the borrower later goes under contract for a different property (new subject property address), a new lock can be requested immediately by logging into the OLS system and making a new lock reservation. The new lock request will be reviewed within 48 hours and confirmation or denial will be emailed to lender.

9.3 Requesting an Extension

Extensions for expiring locks may be requested via OLS. All extensions will incur an extension fee, which will be deducted from lender compensation at the time that the Master Servicer purchases the loan.

If the complete closing package has been uploaded in the proper stacking order prior to the original Lock-In Expiration Date, the loan will automatically be granted up to a 30-day extension. If the loan has not been purchased by the Master Servicer by the end of the 30-day extension period, then a mark-to-market fee may be assessed. The closing package that is uploaded must be complete in accordance with the Master Servicer stacking order as directed in the following link: www.servsol.com/lenders/nchfa_documents.aspx.

If closing file documents do not reflect a complete closing package in accordance with the Master Servicer stacking order checklist, it will be deemed as not having been received.

The only two instances in which a lock will expire are the following:

- If the complete closing package has not been uploaded by the original Lock-In Expiration Date, and the lender fails to request an extension via OLS prior to the Lock-In Expiration Date. The loan is still active unless canceled or withdrawn by lender.
- If the lender timely requested a 30-day extension via OLS or two 15-day extensions via OLS, but the complete closing package still has not been uploaded by the lender by the end of the 30-day extension period. If the lock expires, the loan will be assessed a mark-to-market fee that will be based on market conditions at the time loan is purchased by the Master Servicer. The loan is still active unless canceled or withdrawn by lender.

9.4 Changes to a Lock-In

A lender may update the initial lock-in data by e-mailing the requested changes to ratelocks@nchfa.com. The request will be reviewed to determine if the changes may be made. Address changes are not valid change requests!

If any loan amount changes before closing, all changes must be submitted to NCHFA prior to closing including at any time prior to NCHFA underwriting review.

9.5 Withdrawal of Loan Locks

The lender must notify NCHFA of any loan withdrawals by accessing OLS (<https://www.nchfa.org/MySystems>) and withdrawing the lock. The reason for withdrawing the loan must be entered.

If a lender withdraws or cancels a loan lock, the borrower(s) will not be eligible to re-lock under the NC Home Advantage Mortgage™ program for 60 days after the withdrawal date.

Only new locks due to customer changes in subject property address are allowed under 60 days. Rates and program guidelines in effect at that time are not transferrable.

9.6 Duplicate Locks or Borrowers

If lender determines upon entering a borrower's information into OLS that a duplicate lock was previously made, complete the reservation as normal. NCHFA will review the new lock within 48 hours and either Confirm or Deny the new lock reservation.

9.7 Lock Expiration

Unless the Lender cancels/withdraws the locked loan, the original locked interest rate will be honored by NCHFA. The Lender will pay a mark to market fee for the current cost of the original locked rate. The original lock expiration date is the guarantee date of Lender Compensation before extension fees accrue. Loans purchased after the lock in expiration are subject to extension fees or mark to market fees.

9.8 Re-locking a Cancelled/Withdrawn Loan

The **lender cannot re-lock the same borrower on the same property** until 60 days have elapsed from the time of cancellation/withdrawal. Only cancelled or withdrawn loans can re-lock. The interest rate does not expire for the loans that have not been withdrawn or cancelled, the Lender's guarantee of compensation expires.

Section 10: Program Summary

10.1 Preliminary Lender Participation Guidelines

Participating lenders who have executed a Mortgage Origination Agreement (the Agreement) with NCHFA and the Master Servicer may originate, close and fund 30-year fixed-rate mortgages and deliver such mortgages for purchase to the Master Servicer subject to the program eligibility of borrowers. FHA, VA, USDA, conventional, down payment and credit underwriting guidelines will be used where applicable. In addition, the Agreement with NCHFA and the Master Servicer permits participating lenders to originate and close deferred subordinate mortgages, subject to the program eligibility of borrowers.

At their option, participating lenders may charge origination fees but no discount points. In addition, the borrower may pay any normal and customary fees such as application fee, survey fee, credit report fee, appraisal fee, insurance fee or similar settlement or financing cost. In all cases the lender must meet RESPA rules, Dodd-Frank, CFPB, and North Carolina lending laws regarding fees and charges.

Participating lenders must review, execute and understand the terms of the Mortgage Origination Agreement with NCHFA and the Master Servicer and this Program Guide prior to originating, processing, underwriting, closing and delivering mortgages for purchase under the program.

10.2 Eligibility Criteria

- 1) The borrower(s) must meet published income guidelines. Income limits for the NC Home Advantage Mortgage™ program do not vary by county and are not dependent on family size unless the NC Home Advantage Mortgage™ is paired with an MCC. (Please see Section 5 of this Program Guide for a complete explanation.)
- 2) Income limits are currently \$140,000 statewide and may be subject to change. The income qualification for the borrower(s) is based on the income shown on the final 1003/AUS Findings. Please note if the NC Home Advantage Mortgage™ loan is paired with an MCC, the loan must meet the more restrictive MCC income guidelines.
- 3) The borrower(s) do not have to be first-time homebuyers.

- 4) The borrower(s) must have a mid or low FICO credit score of 640 or higher. Each Borrower must have at least two credit scores.
- 5) The borrower(s) cannot have a DTI ratio that exceeds 45.0%.
- 6) The home must be used as the borrower's principal residence. (Please see Section 6 of this Program Guide for a complete explanation.)
- 7) All loans must be underwritten by the lender to meet FHA, VA, USDA, or Fannie Mae HFA Preferred conventional (and Freddie Mac HFA Advantage) established guidelines. For conventional loans, Desktop Underwriter (DU) findings will be accepted for Fannie Mae loans and LPA for Freddie Mac conventional loans.
- 8) All loans must receive a commitment from NCHFA prior to the participating lender closing the loan.
- 9) For conventional loans, any FNMA and ServiSolutions approved PMI company may be used.
- 10) NCHFA reserves the right to request any additional documentation needed to make an accurate determination on any given loan.

10.3 Down Payment Assistance (3% DPA) Offered Under NC Home Advantage Mortgage™

- 1) The DPA is a 0% interest rate subordinate mortgage, deferred for the first 10 years and forgiven at a rate of 20% per year at the end of years 11 through 15. If the first mortgage loan is paid in full prior to the end of year 15, the borrower must repay the un-forgiven portion of the DPA.
- 2) The DPA may be used for down payment assistance, closing costs, and pre-paid items. DPA cannot be used to cover negative equity in the property. DPA cannot be used to pay extension fees, or to pay off debts, collections or judgements.
- 3) The amount of DPA is up to three percent (3%) of the first mortgage total loan amount for FHA or VA loans and up to three percent (3%) of the first mortgage total loan amount for conventional loans. The lender must determine rate eligibility for each loan type.
- 4) The borrower may contribute their own additional cash resources for down payment and closing costs as allowed by FNMA, FHA, VA, or USDA guidelines.
- 5) A separate Loan Estimate (LE) for the subordinate mortgage is required. A separate CD is not required on the 2nd.
- 6) The lender will fund the first mortgage and the DPA directly at closing.
- 7) The 3% DPA option may be unavailable from time-to-time if interest rates are considered too high and will show n/a on the public website rate sheet.

10.4 Closing/Purchase Guidelines

- 1) The **maximum allowed cash back cannot exceed \$2,500** and must be from verified POCs paid into transaction by borrower(s). Lender credits are allowed; however, neither NCHFA nor ServiSolutions pays lender credits.
- 2) A borrower may contribute additional cash resources for closing costs and/or prepaid items.
- 3) All loans must be purchased by the Master Servicer. Upon purchase, the Participating Lender will be paid lender compensation inclusive of SRP, by the Master Servicer upon purchase of the loan based on the first loan amount. Any extension fees and mark-to-market fees are reduced from lender compensation at the time of purchase.
- 4) All 1st lien loans locked through NCHFA must close in the name of the Participating Lender in which the lock was made. DPA mortgages must close in the name of NCHFA.
- 5) In order for the loan to be purchased, it must be current in payments of principal and interest, be approved by NCHFA, and be in compliance with applicable requirements of FHA, VA, USDA, PMI insurer, GNMA, FNMA, and/or Freddie Mac.

10.5 Operations Process

- 1) Participating Lenders can only submit lock requests via OLS for this program on business days between the hours of 9:00 am and 6:00 pm EST. During periodic rate updates, OLS will not be able to accept locks.
- 2) Interest rates for the program will appear on the NCHFA website. When a Participating Lender locks a loan via OLS, the lock confirmation will reflect the current interest rate in effect for that loan.
- 3) A participating lender must be approved by NCHFA and the Master Servicer.
- 4) The purchase of the loan by the Master Servicer must occur by the Lock-In Expiration Date. If the complete closing package in the proper stacking order has been received by the Master Servicer by the Lock-In Expiration Date, the lock will automatically be granted 7-day extensions until the loan is purchased. If the complete closing package has not been received by the Master Servicer by the Lock-In Expiration Date, the lender may request an extension via OLS prior to the expiration date. If the lock is extended, it is subject to extension fees. If the loan is not extended and expires, it is subject to a mark-to-market fee if the loan is purchased by the Master Servicer. Both extension fees and mark-to-market fees are reduced from lender compensation at the time the loan is purchased by the Master Servicer.
- 5) The Participating Lender must upload any requested conditions to Master Servicer via their eDocs platform.
