F1	Have you coordinated with any of these agencies? (FHA, VA, USDA, GSE's, State or Local Agencies that hold mortgage portfolios)	Yes	NCHAF and NCHFA staff have attended and participated in industry collaboration meetings hosted by US Treasury and regularly attended by GSE's various mortgage servicers, including those with FHA and VA portfolios. USDA is an executed servicer with the NCHAF Program. ServiSolutions is a State Agency that holds mortgage portfolios and is an executed servicer with the NCHAF Program.

	Agencies that hold mortgage portfolios)		attended by GSE v virious mortgage servicers, including those with FHA and VA portfolios. USDA is an executed servicer with the NCHAF Program. ServiSolutions is a State Agency that holds mortgage portfolios and is an executed servicer with the NCHAF Program.  The NCHAF program has coordinated with 240 servicers and has received signed and executed Collaboration Agreements with all 240 to promote a standardized working relationship. An agency-to-Servicer agreement facilitates standard practices and boundaries which allows the program to work with Servicers that have a high volume of borrowers who apply to the program. Additionally, NCHAF has been in constant contact with Servicers for enboarding to the CDF process and use of CDF Transmissions to validate debt and confirm accuracy of payment(s). Out of the full population of current servicers (240), 139 have been credentialed and trained to participate in CDF transmissions. The remaining 101 servicers complete debt verification scitivities through Non-CDF methodology in coreful coordination with NCHAF stift. Ongoing training and troubleshooting is also available to any Servicers.  Examples of this include meetings upon request and meetings which are recurring in nature (weakly, biweekly, and monthly technical calls held with servicers such as Mr. Cooper, Servi Solutions, PHH, Wells Farga, SECU, Loan care, Vanderbilt, etc.)  The program has connected regularly with HAF perticipants on best practices during angoing meetings and information sessions, including marketing and outreach meetings, CDF operational discussions, and industry collaboration meetings housed by the US Treasury and the National Council of State Housing Agencies (MCSHA).  NCHAF closed to accepting new applications on November 17, 2023. NCHAF notified participating servicers of program closure.
