INDENTURE: SINGLE FAMILY REVENUE BONDS (1998 RESOLUTION)
BOND SERIES: SERIES 11

PAGE NO. 4-1998-11

Bond Call Information:

Special Redemption

The 1998 Series 11 bonds may be redeemed in whole or in part on any date at the principal amount plus accrued interest to the date of redemption, from:

- (i) unexpended proceeds,
- (ii) prepayments of mortgage loans financed with the proceeds of the Series 11, and
- (iii) excess revenues transferred from the revenue reserve fund,
- (iv) moneys withdrawn from the debt service reserve fund in connection with an excess over the debt service reserve requirement, and
- (v) from prepayments of mortgage loans financed with proceeds from series of bonds issued other than the Series 11 bond and from certain moneys in excess of the debt service reserve requirement on deposit in the debt service reserve Fund ("Cross Call Redemption").

Prepayments on mortgage loans financed with the proceeds of the Series 11 bonds shall first be applied to the redemption or purchase of Series 11 Term bonds due July 1, 2028 during the periods up to the scheduled principal amounts set forth in the series resolution.

Moneys in excess of the debt service reserve requirement, from excess revenues in the revenue reserve fund and from cross call redemption sources shall be applied to the redemption of the Series 11 bonds in any manner. Moneys to be applied to redemption from prepayments in excess of the scheduled principal amounts shall be applied pro rata. However, the Agency may redeem on other than a pro rata basis, if the Agency files a notice with the Trustee together with a cash flow certificate.

Optional Redemption

The Series 11 bonds are redeemable at the option of the Agency, in any manner the Agency shall determine, on or after July 1, 2010, in whole, or in part, at the principal amount thereof plus accrued interest to the date of redemption, without premium.

Additional Information

The Trust Agreement provides that the Debt Service Reserve Fund and the Insurance Reserve Fund may be funded by cash, investment obligations or a "Reserve Alternative Instrument". The Trust Agreement defines a "Reserve Alternative Instrument" as an insurance policy, surety bond, irrevocable letter of credit, guaranty or similar instrument of a provider that is, at the time the Reserve Alternative Instrument is delivered to the Trustee (a) an insurer whose long term debt or claims paying ability has been assigned a rating by each Rating Agency in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus," of such categories), or (b) a commercial bank, insurance company or other financial institution the bonds payable or guaranteed by which are assigned a rating by each Rating Agency in one of the two highest rating categories (without regard to gradations such as "plus" or "minus" of such categories). The portion of the Debt Service Reserve Fund for the Series 10 Bonds, the Series 12 Bonds and the Series 14 Bonds was provided by surety bond insurance policies issued by Ambac Assurance Corporation ("Ambac Assurance"). As of June 30, 2008, the coverage provided by such surety bonds is equal to 2% of the outstanding principal of each respective Series of Bonds and equals \$2,076,300. In addition, the Insurance Reserve Requirement for the Series 9 Bonds, the Series 10 Bonds, the Series 11 Bonds and the Series 14 Bonds was provided by separate surety bond insurance policies issued by Ambac Assurance. As of June 30, 2008, the coverage provided by such surety bonds was \$1,339,000.

At the time the respective surety bond insurance policies referenced above were issued, Ambac Assurance had credit ratings meeting the requirements of the Trust Agreement, thus in any event the surety bond insurance policies issued by Ambac will continue to meet the requirements of the Trust Agreement.

On November 5, 2008, Moody's Investors Service announced that it had downgraded the insurance financial strength of Ambac Assurance from Aa3 to Baa1. Ambac's insurance financial strength is now rated AA with negative outlook by Standard & Poor's. Any explanation of the significance of such ratings may be obtained from Moody's Investor Service or Standard & Poor's.
